

THE LOW SILICA COLLECTION

10 Years Limited Warranty

WARNER STONE warrants that its engineered quartz stone products will be free from manufacturing defects and will perform under normal use for a period of ten (10) years from the date of installation. This warranty applies only to the original purchaser and is not transferable.

This warranty does not cover damage resulting from improper handling, fabrication, installation, or maintenance, including damage caused by exposure to extreme temperatures, physical or chemical abuse, or staining.

In the event of a manufacturing defect, WARNER STONE will, at its discretion, repair or replace the affected portion of the product or provide a credit equal to the original purchase price of the product. This warranty does not cover installation or fabrication costs, or any indirect or consequential damages.

To make a claim under this warranty, the purchaser must provide proof of purchase and notify WARNER STONE in writing within 30 days of discovering the alleged defect. WARNER STONE reserves the right to inspect the product and to determine the validity of the claim.

Product Features

-  Non-porous
-  High stain resistance
-  High scratch resistance
-  High-heat structure
-  Forward design
-  Safe and low maintenance
